

Global Murder Mystery

An innovative project for
Primary and Secondary Schools which
supports teachers in their subject area and
delivers cross-curricular work on both the
GLOBAL DIMENSION and
SUSTAINABLE DEVELOPMENT

A three-part project including classroom activities, resources and a participatory Murder Mystery performance that gives young people the opportunity to develop and apply critical thinking skills.

Fits with a number of Curriculum subjects including Geography; History; English; Drama; Citizenship & R.E.

Subsidies available for a limited number of participating schools.
